

WOW RACE 3 FOR 2017 / 2018

Another pleasant evening on the water for race 3 of the WOW season. The wind was quite barely there making it tricky to finish the race. The wind was between 5 and 10 knots throughout the evening.

The course was set with boats heading down the Otumoetai channel and out to 10w for the cruisers or 3w then 10w for the racing fleet. The racing fleet ran spinnakers from 10w, although most had dropped them by banks buoy when the wind went on the nose.

It was a mixed night for the racing boats with quite a spread for the finish time. Whatever took the honours followed by Rascal Tom, then Selah II and High Point.

The cruising boats were also spread out in their finish times. Otway III was first with Frenzy very close behind and Candela very close too.

Thanks again to all the boat owners for making it possible for the ladies to get on the water for another nice evening.

Registration is at 5pm at the TYPBC club rooms. Please let Lizanne know by Tuesday evening whether you are coming along or not either by email wow.tauranga@gmail.com or txt 022 137 0145.

Don't forget to come up to the clubrooms after sailing to enjoy a meal and some great prizes from our generous sponsors.

See you there

WOW Committee
