Venue

The Yacht Club is situated at the end of Sulphur Point adjacent to the Tauranga Marina.

It is five minutes' drive from the City Centre and ten minutes from Tauranga Airport.

Our venue is on the water's edge and the main reception room has unobstructed views out over the beautiful Tauranga Harbour towards Mauao, Mount Maunganui and Matakana Island.

Our large deck, with its breath taking views is ideal for pre reception drinks and canapés, for relaxing during the evening after the reception or for the ceremony for smaller gathering.

It is our desire to make your day special and unique. Talk to us about your dreams and we will work with you to make them come to reality.

Wedding Ceremony

Alongside The Yacht Club is a grass reserve right on the waterfront looking out towards Mauao. This is an ideal setting for a wedding ceremony and this space can be booked through Tauranga City Council.

For your wedding ceremony we can hire you chairs, round table and tablecloth for signing the register. We can also arrange set up of the area and pack down afterwards eliminating the need to arrange people to set up and watch this area.

After the ceremony we can provide celebratory drinks and platters of canapés for your guests under the cover of our verandah. Celebratory drinks usually consist of 'bubbles', orange juice and perhaps one variety of beer.

Should the weather on the day not be suitable for an outdoor wedding then the ceremony can be held inside The Yacht Club still looking out towards Mauao. The area we use is separate from the dining area and chairs can be set up for the ceremony. Refreshments can be served inside or on our extensive deck after the ceremony.

Parking

We have parking for forty vehicles in our car park with parking for another 250+ vehicles in the adjacent marina car park.

Vehicle access is available to the bottom of the steps leading up to the reception area. A ramp is also available for people with disabilities.

With 24 hour Marina security cars are safe to be left in the car park overnight.

Decoration

Our tables are clothed with a round linen table cloth (white or black) that hangs down 400mm below the top of the table. As extras we have available floor length table cloths and square table cloths to double cloth these tables with. All other tables (bridal, cake, gift, buffet) are clothed to the floor.

All guest tables are set with linen tablecloths, cutlery, crockery, glassware and linen napkins.

For any other decoration you are welcome to bring your own or have us provide them for you. We have a range of items available for hire including mirrors, vases, fairy lights and more.

We also have available chair covers, chair sashes, table runners and ceiling draping for hire.

Access for decorating is available from 10am on the day of the wedding however access may be available on the day prior if there is no bookings for the venue that day.

Decorations bought in by yourself need to be removed on the evening of the wedding.

Please note that some extra cleaning maybe charged if your decorations

Music and Sound

We have a fixed sound system with corded microphone available for speeches. We also have a separate system designed to play background music which we can provide or you can provide on an ipod/phone.

We have an area adjacent to our main reception dining area for dancing which means guests can remain seated at their tables. This creates a smooth flow between the areas, allowing guests the option to watch the dancing while still enjoying a conversation "away" from the music.

Hiring a band or disco is your responsibility however we can recommend bands and D.J's for your wedding.

Bands and D.J's can set up from 2pm on the day.

Food

We have a full kitchen and onsite chef for your wedding. We provide all food requirements along with attendant kitchen and waiting staff.

Our menus are sample menus based on previous weddings however we are happy to price menus you may wish to put together or discuss with you options available to create a menu specific to your requirements and dietary needs.

Hirers are not permitted to bring in their own food other than a cake for a special occasion.

Beverage

We have full bar facilities offering a range of beer, wine, spirits and non-alcoholic beverages.

We have two beverage options available:

On Consumption (Tab)

This is where you choose a selection from our beverage list (eg beer, wine and non-alcoholic drinks) which we offer to your guests and include on your account. We ask you to set a limit which we can discuss with you and make recommendations. You will be advised on the evening prior to it reaching this amount and can decide whether to extend the amount.

Your guests are welcome to purchase other drinks outside your selection. Eftpos is available.

Cash Bar

This is where guests purchase their own drinks.
