

Race 2 Summary & Results – 14th November 2013

With quite different conditions to last time, we sailed in 5-10kt northerlies on an outgoing tide...a very pleasant sail except that as the sunlight waned the wind refrained leaving 5 cruising boats drifting in the tide unable to finish by the 8.30pm time limit. A fun time was had by all 102 ladies with Legato deciding to join the other 8 boats in the Racing Division. Little 'Brilliant' did a sparkling job of cleaning up the fleet, winning by 9 minutes over Legato.
